

Use this sketch pad to draw or mark the locations of special inserts, linings, gussetts, and other custom features that cannot be indicated on the appropriate order form. Be sure to use a **black** pen or pencil, and write as legibly as possible. Use the lettered points of reference to relate this drawing to your Bio-Concepts order forms. **Fill in the patient name, facility name and the date.**

Patient Name: _____

Facility Name: _____

Bio-Concepts Use Only: _____ Date: _____

Be sure to provide measurements indicating the exact size and location of the items.
